The idea of a spiritual heart transplant is a vivid image to me; once you have

the heart of somebody else inside you, then that heart is there. Jesus' heart is inside me, and my heart is gone. So if God were to place a stethoscope against my chest, he would hear the heart of Jesus Christ beating.

**Love's lesson**

A new school year promises new adventures, challenges and friends – as well as new classes, homework and lessons. But the most important (and simplest) lesson we can learn is summed up by 19th-century hymn writer Jane Eliza Leeson:

Savior, teach me day by day  
love's sweet lesson to obey,  
sweeter lesson cannot be,  
loving him who first loved me.
