## Taking a stand

Cowardice asks the question: Is it safe?  
Expediency asks the question: Is it politic?  
Vanity asks the question: Is it popular? But  
conscience asks the question: Is it right?  
And there comes a time when one must  
take a position that is neither safe, nor  
politic, nor popular – but one must take it  
simply because it is right.

—Martin Luther King Jr.
